

*By signing, the Parent, Guardian or Legal Care Giver acknowledges that they have read and understand the Library's Internet and World Wide Web policies and rules and accept the terms of their use, and further acknowledge that they, not the library, are responsible for the access of young adults up to the date of their eighteenth birthday.*

On behalf of myself and the individual for whom I am signing this Agreement, we hereby waive any right we might have to any claim against the Stanly County Public Library, its employees, trustees, officers, or agents arising from use of the Internet. I understand that some material on the Internet may be objectionable, but I accept the responsibility and agree to allow my child age eight up to the date of his/her 18<sup>th</sup> birthday to use the Internet independently.
