## COUNTY COMMISSIONERS

It is a pleasure to present the 18th annual Report to the People. Calendar year 2021 proved to be quite interesting with the emergence of the Delta and Omicron strains of COVID-19 placing a strain on our public health resources. However, at the same time the County has also experienced unprecedented residential and commercial growth.

A total of 560 residential, new home building permits were issued for construction in 2021. To put this number into perspective, the 560 in 2021 exceeded the total number of new home construction permits for all of 2017 and 2018 combined. In fact, the 560 permits in 2021 was a 300% increase over calendar year 2015.

The following report highlights additional activities, accomplishments, facility enhancements, project updates and outcomes achieved by various County services in the past year. Below please find a list of some, but not all, of our key accomplishments in 2021:

- Began construction on a new Liberty Hill water pump station to enhance the County's ability to provide water to western Stanly County
- Adopted a tax rate that was less than revenue-neutral
- Increased operational funding to the local school system to enhance instructional resources & increased teacher supplement funding
- Allocated additional public safety capital resources for vehicle and ambulance replacement
- Finalized design of a new 30,000 square foot trades based educational facility on the campus of Stanly Community College to enhance training for electrical wiring, HVAC technicians, plumbing, carpentry, machining, welding, auto repair and auto mechanics
- Completed the 1.2 MGD rehabilitation of the West Stanly Waste Water Treatment Plant, and began the design of a 2.5 MGD expansion in order to meet the growth demands in western Stanly
- Began the capital planning for a new Sheriff's Office, 911 Center and Emergency Operations Center

The Board of Commissioners continues to place an emphasis and priority on education, public safety and economic development related programs and services. Further, it is our goal to provide high quality services at an affordable tax rate.

Please take a few moments to review our results and progress and do not hesitate to contact any of the County Commissioners if you have questions or concerns.

Respectfully,

Tommy S. Jordan, III, Chairman

Stanly County Board of Commissioners

## CULTURE & RECREATION

### Stanly County Agri-Civic Center

The Stanly County Agri-Civic Center is a multi-use complex housing offices of the NC Cooperative Extension Service, USDA Rural Development, Natural Resources Conservation Services, North Carolina Forestry Service and the Farm Service Agency as well as a 1,050-seat performing arts theatre, banquet facilities and several multi-purpose meeting rooms.

The Board of Commissioners also proceeded with entering into a contract for the construction of a new 150' x 200' livestock arena facility. The livestock arena facility should break ground in the late spring/early summer 2022.

Additional highlights of building maintenance and improvement projects at the Agri-Civic Center include:

- Graded and prepared a demonstration garden site for the NC Cooperative Extension Master Gardeners program
- Replaced the large HVAC unit that provides heating and cooling for the auditorium
- Contracted services for a new digital sound system to be installed in the spring of 2022

### Stanly County Library & History Center

The Stanly County Public Library and History Center provides books, information, and programming for citizens of all ages.

- Checked out over 139,096 items (increase of 28%)
- The Library recently utilized grant funds to enhance Wi-Fi connections to 5G in the facilities and parking lots at the Locust, Oakboro and Norwood library locations
- Parents can now tune in via Facebook to view all of the Library's story time programs. Adults can also access book talks and craft features via the Library's Facebook site

## 911 Communications

- Provides 24 hour, 365 day 911 call dispatch services to the citizens of Stanly County with prompt and courteous assistance to those callers on both the 911 emergency and non-emergency phone lines. Major projects for 2021 include:
- Planning, licensing and installation was completed for the new VHF fire paging simulcast system
- A new hire training academy was implemented with four (4) new Telecommunicators successfully completing the training
- Over 300 public safety radios were refreshed and updated to ensure mobile and portable radios are fully functioning and operational
- In 2021, 911 processed 131,707 calls for service (emergency & non-emergency), this represents a 6% increase over 2020. The State of North Carolina requires all 911 centers to answer at least 90% of all 911 calls within 10 seconds. Stanly County Communications answered 99.89% of all 911 calls within 10 seconds

## Emergency Management

A three (3) tiered department: Emergency Management, Emergency Medical Service (EMS), and the Fire Marshal's Office (FMO).

Emergency Management defines an 'all-hazards' approach to preparedness, response, recovery and mitigation of any natural, man-made or terrorist disaster.

- Maintained a Storm Ready Status
- Much of 2021 was dedicated to COVID-19 response, including the coordination of implementing a drive-thru vaccination clinic and management of PPE supply distribution to first responders
- Stanly County's #1 weather threat is flash flooding. "Always Remember Do Not Drive Through Flooded Waters!"
- Emergency Management responded to 5 hazardous material spills
- Replaced the flood gauge for Little Long Creek at US 52 and Salisbury Ave.
- Remember to sign up for emergency notifications with Blackboard Connect

**Emergency Medical Services** continues to adapt and grow with the changing pre-hospital medical practices.

- Responded to 15,112 calls (increase of 1%)
- Operate six (6) Advanced Life Support (ALS) ambulances
- Continue to provide community paramedic services to support post hospital release follow-up for local residents and to help mitigate the local opioid overdose issue
- Secured grant funding in 2021 to implement ultrasound imaging in the ambulance while transporting trauma patients to the local hospitals
- Maintained an average response time of less than 7 minutes. The national standard for rural EMS agencies is 10 minutes

**The Fire Marshal's Office** continues to strive for excellence in service.

- Conducted 469 fire inspections (increase of 26%)
- Reviewed 130 commercial development plans (increase of 5%)
- Responded to 112 fire investigations (increase of 3%)
- Assisted Richfield-Misenheimer VFD, Endy VFD, Ridgecrest VFD, East Side VFD and Oakboro VFD with insurance rating reductions
- Key partner in the County's COVID-19 response by disbursing PPE supplies to all first response agencies

**Safety Tip: Remember to check your smoke alarms and fire extinguishers regularly**

*Health Department*

During 2021 the local Health Department once again played a significant role in helping to mitigate the spread of COVID and decrease hospitalizations to the greatest extent possible. Beginning in early January 2021, when the COVID vaccine became available, the County's Health Department and Emergency Services collaborated to stand up a drive through vaccination clinic that processed over 400 vehicles per day. In total, the Health Dept. delivered over 30,000 COVID vaccine doses in 2021.

The Health Dept. has also played a key role in helping to decrease the County's emergency room opioid overdose rate from 1.87 per 1,000 to 1.25 per 1,000 via multiple harm reduction strategies. The Health Department has used a best practices approach and collaborated with the local non-profit providers and faith based organizations to increase access to peer support, recovery housing options, naloxone kits, and outpatient substance abuse services.

The Health Department also continued their collaborative effort with the Minority Health Council to address health disparities and improve health outcomes for all residents of Stanly County.

**Dental Clinic**

Provided services to 6,961 total patients, and 98 children received dental treatment in the operating room at Atrium-Stanly. Additionally, 296 students received dental sealant via the Dental Clinic's school based mobile clinic in 2021.

**WIC (Women, Infants and Children)**

Over 1,800 participants received WIC benefits via the County's Health Department in 2021.

*Social Services*

The mission of the Stanly County Department of Social Services is to promote self-sufficiency, and to protect and improve the quality of life for Stanly County residents. The agency provides services to protect vulnerable adults and children, promote economic stability, and increase access to health care and nutrition. Approximately 171 individuals visit the agency on a daily basis.

The department is required by law to receive and investigate reports of abuse or neglect of children. If abuse or neglect is found to exist, services must be provided to protect the child from further abuse and neglect and help the parents learn to provide better care for the child. 734 child abuse and/or neglect reports were received; of those, 392 (53%) were substantiated and evaluated to determine the level of services needed.

*Veterans Services*

This office assists veterans, dependents and surviving spouses with applications and forms required for Federal, State and County benefits through the Veteran Administration (VA). The Veteran Services Officer is the only fully-accredited representative that is authorized to represent the NC Division of Veterans Affairs and present claims before the US Department of Veteran Affairs in the county. This accreditation enables this office to access electronic files within the Veterans Administration to better assist all veterans and their families. All services are free of charge and we continue to encourage all veterans, dependents and surviving spouses to take advantage of all the services and benefits our Stanly County Veterans have earned.

- Provided assistance to over 1,300 Stanly County veterans, dependents and surviving spouses.
- Assisted with claims resulting in approximately \$62,000 in monthly payments.
- NC license tags, property tax exclusions and hunting/fishing licenses for veterans are authorized via the local Veteran Services Office

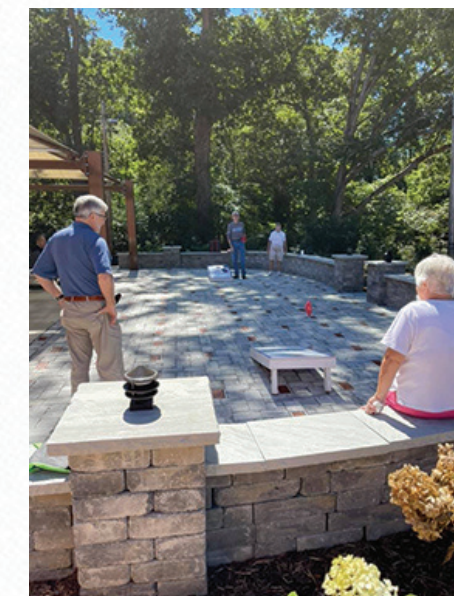

*Senior Services*

### Elections

There were no elections during 2021. The local Elections staff spent the past 12 months preparing for the 2022 Election cycle. Work included voter registration drives, voter list maintenance, assisting with candidate filing, training workshops for election officials and polling place accessibility audits.

For more information about the Board of Elections: 704-986-3647  
www.votestanlycountync.gov | Facebook @votestanlycounty

### Facilities Management

Facilities Management is responsible for all county road signs, nine (9) convenience sites and over twenty (20) buildings and grounds which are owned or occupied by county departments.

<b>Facilities Management</b>	Work orders	2,828
	Average work orders per day	11.3
	Hours spent on other facility projects	1,884
<b>Sign Department</b>	Road signs replaced or repaired	174

#### Key Accomplishments:

- Replaced roof on the north end of the Commons facility
- Replaced the Albemarle library roof
- Replaced a large section of concrete at the Courthouse parking lot
- Installed a new automatic sliding door at the Commons for the entrance to the Human Services program area

### Register of Deeds

The Register of Deeds maintains public records and documents, including records relating to real estate ownership and vital records. The goal is to safeguard essential information and individual property. These documents may include conveyances, deeds of trust, Uniform Commercial Codes, power of attorney, separation agreements, vital records and military records. Below is a breakdown of documents and revenue processed in 2020 and 2021.

	2020	2021
Marriage Licenses	575	408
Deeds	2,686	3,333
Deeds of Trust	2,975	3,647
Vital Records	6,419	7,471
Total Documents	22,919	27,868
County Receipts	\$334,011	\$455,321

The Register of Deeds Office also organized two (2) local blood drives for the community.

### Tax Administration

The Stanly County Tax Administration Office is comprised of two sections: the Collector's Office and the Assessor's Office, which includes Real Property and Personal Property.

**The Collector's Office** collects the levy due Stanly County, ten (10) municipalities, thirteen (13) Fire Districts, and two (2) Special Districts. They also collect for nuisance liens and EMS bills.

The Collector's Office yielded a 97.79% collection rate for FY 20-21. This rate represents the highest on record. Collection enforcement methods utilized included Gamishments, Bank Attachments, Debt Setoff, Escheat, and Foreclosure. \$96,500+ of delinquent tax revenue was generated through the escheat claims process and \$65,000+ was generated via tax foreclosures on real property.

**The Assessor's Office** is responsible for valuing all real estate, improvements to real estate, personal property, business personal property, and motor vehicles.

The Real Property Division continued their effort to complete the 2021 revaluation project which involves visiting/appraising all 40,000 parcels in the county. Appraisers are also responsible for listing new construction and hearing valuation appeals. Appraisers completed roughly 1,500 field visits for new construction and appeals.

The Personal Property Division processed 1,000+ Homestead and Veterans exemptions, resulting in an exclusion amount of \$56.3 million in tax value. The NC DMV "Tax and Tag" program processed an average of 5,000 registered motor vehicles monthly with a 99.36% collection rate. The Personal Property Division also sent out approximately 8,493 personal property listings and 2,878 business personal property listings in 2021.

### Cooperative Extension

There have been several new faces and changes to the local Cooperative Extension staff in 2021. Long time Extension Director, Lori Ivey retired in 2021, and Molly Alexi assumed the role of Director in the fall of 2021.

The Extension staff remain committed to serving the citizens of Stanly County as well as working collaboratively with various advisory groups and community partners to address specific needs.

**Agriculture:** There are currently two (2) agents working directly with farmers. Katelyn Stegall is the livestock agent and Jared Butler is the field crops and horticulture agent. Agents worked closely with farmers in 2021 to provide group workshops and classes to enhance farm business operations, farm management plans and farm/pasture management practices. Agents also assisted with multiple field trials with corn, soybean and cotton growers.

**Health & Nutrition:** Hayley Cowell is the Family and Consumer Sciences agent and Chelsea Barber is Extension's Nutrition Educator. Hayley and Chelsea provide a wide range of programs focused on food safety, cooking classes, family budgeting, food preservation and wellness. The Extension agents work closely with the Stanly County Schools, church groups and other community organizations to enhance local knowledge of health and wellness.

**4-H Youth Development:** Michaela Vick is Extension's 4-H Youth Development Agent. Michaela is a graduate of NC State and a 4-H alumni. One of the most popular classroom projects 4-H assists with in Stanly County is the Embryology Project in which 2nd graders across the county incubate and hatch quail chicks. In 2021, 64 teachers in public and private schools used the 4-H STEM curriculum in their classrooms benefiting 668 students.

### Planning & Zoning

The Planning Department works with landowners and developers to permit uses of property throughout the county. The permitting process is done consistent with the 2010 Land Use Plan and seeks to focus development in areas with sufficient infrastructure in place.

In late 2021 staff began working with Centralina (Council of Governments) on a land-use plan update. The plan will be complete in late 2022 and provide a framework for land use decisions over the next 8-10 years.

The Planning staff is also working with a Board appointed committee to develop a set of zoning recommendations for Cell Phone/Telecommunications Towers.

2021 Zoning Enforcement	New Cases	Cases Resolved	Ongoing
Stanly Min. Housing	6	5	4
Stanly Zoning Ordinance	71	48	20
Badin Min. Housing	1	5	2
Norwood Min. Housing	22	13	10
Locust Min. Housing	2	1	1

Stanfield Minimum Housing	0	1	4
Stanly County Floodplain Violations	2	2	3

## Economic Development Commission

The Stanly County EDC responded to forty-four (44) inquiries from prospective consultants or companies seeking information about available product, workforce, utilities, access to highways and other data related to a site(s) in Stanly County.

Staff worked directly with five (5) companies to announce the creation of 146 new jobs and \$20.3 million in new taxable investment this year.

The EDC also met directly with forty-five (45) local businesses to ensure they have the resources they need to be successful and profitable in Stanly County.

## Utilities

Stanly County Utilities (SCU) is responsible for distributing more than 1.68 million gallons of drinking water every day to more than 6,800 homes, schools, churches and businesses in Stanly County

SCU provides wastewater collection and treatment to over 970 customers in the Greater Badin District. Wastewater collection is provided to the northern part of Stanly County, the County Airport region plus the communities of Palestine, Millingport, Ridgecrest and Aquadale. SCU provides wastewater treatment at our West Stanly Facility for the towns of Locust, Stanfield, Red Cross and Oakboro.

This past year the following project was completed:

- The West Stanly Waste Water Treatment Plant renovation to increase capacity to 1.2 million gallons per day (see pictures below)

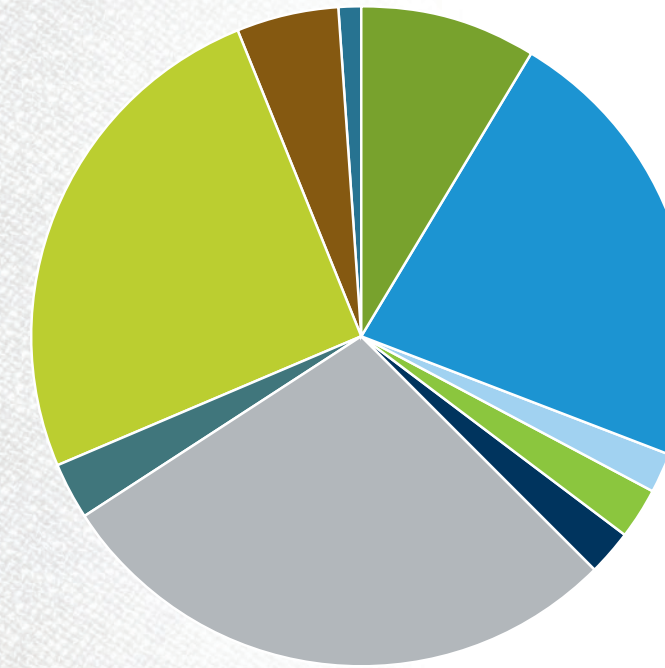

On-going projects for 2022 and beyond include:

- Design and construction of water line extensions for Meadowcreek Church Road in Locust and Stony Gap Rd. just outside Albemarle
- Construction of a new Liberty Hill water pump station to assure higher water volume delivery to western Stanly County
- The \$13.9 million Water & Sewer Authority Phase 4 project to improve access to public water has been approved for funding by the USDA. The project is under final design and will be bid in 2022
- Bost Road water main extension project
- The preliminary engineering report and design for upgrading the West Stanly Waste Water Treatment Plant from 1.2 MGD to 2.5 MGD
