

Water. Air. Land. Success.

REPORT TO
the People
2022

STANLYCOUNTYNC.GOV

COUNTY COMMISSIONERS

It is a pleasure to present the 19th annual Report to the People. The County experienced significant residential and commercial growth in 2022, but soaring inflation and rising interest rates in late 2022 led to a slight decline in development moving in to 2023.

A total of 690 residential, new home building permits were issued for construction in 2022. To put this number into perspective, the 690 in 2022 exceeded the total number of new home construction permits for all of 2019 and 2020 combined. The 690 permits in 2022 was a 25% increase over calendar year 2021.

The following report highlights additional activities, accomplishments, facility enhancements, project updates and outcomes achieved by various County services in the past year. Below please find a list of some, but not all, of our key accomplishments in 2022

- Continued construction on a new Liberty Hill water pump station to enhance the County's ability to provide water to western Stanly County
- Replaced the County's aging CAD-911 system to enhance first responder communication and response times
- Increased operational funding to the local school system by \$1 million to enhance instructional resources & increased teacher supplement funding by 15%
- Added a 7th ambulance to provide non-emergency transportation and facility transfers
- Began construction on a new 32,000 square foot trades based educational facility on the campus of Stanly Community College to enhance training for electrical wiring, HVAC technicians, plumbing, carpentry, machining, welding, auto repair and auto mechanics
- Continued the preliminary engineering design for an expansion of the West Stanly Waste Water Treatment Plant to 2.5 million gallons per day in order to meet the growth demands in western Stanly
- Continued the capital planning for a new Sheriff's Office, 911 Center and Emergency Operations Center

The Board of Commissioners continues to place an emphasis and priority on education, public safety and economic development related programs and services. Further, it is our goal to provide high quality services at an affordable tax rate.

Please take a few moments to review our results and progress and do not hesitate to contact any of the County Commissioners if you have questions or concerns.

Respectfully,

T. Scott Efir. Chairman

Stanly County Board of Commissioners

Commissioner Trent Hatley, Commissioner Bill Lawhon, Vice-Chairman Mike Barbee, Chairman Scott Efir, Commissioner Patty Crump, Commissioner Peter Ascititto and Commissioner Brandon King

TRANSPORTATION

Airport

The Stanly County Airport continues to experience steady utilization from both general aviation and military activities.

Key Projects & Other Activities

- A new distributed airfield lighting control system was installed. The new system offers more robust monitoring capabilities and fiber optic redundancy
- The Airport is once again hosting the LIFT Academy flight school. The school, which is based in Indiana, is utilizing the Stanly County Airport for its late fall and winter school operations given the more favorable conditions
- The Airport is working closely with the new NC Emergency Training Center that will be housed at or near the airport facility. It is anticipated ground will be broken on the new Emergency Training Center in late 2023

	2021	2022	% Change
	Gallons of Fuel Sold 98,964	Gallons of Fuel Sold 115,302	17%
	Hangar, Tie down & Office Space Revenue \$84,678	Hangar, Tie down & Office Space Revenue \$77,650	-8%
	Operations 19,959	Operations 21,919	10%

SCUSA

SCUSA provides safe, reliable transportation to all Stanly County citizens with a goal of excellent customer service. Staff participates in ongoing training to ensure industry best practices are followed to provide the safest, most cost-effective coordinated public transportation service. We are Stanly County's PUBLIC transportation service – anyone can utilize our service. Please call our office to inquire about available routes.

239,496 Miles Driven
 2022 Stats

CULTURE & RECREATION

Stanly County Agri-Civic Center

The Stanly County Agri-Civic Center is a multi-use complex housing offices of the NC Cooperative Extension Service, USDA Rural Development, Natural Resources Conservation Services, North Carolina Forestry Service and the Farm Service Agency as well as a 1,050-seat performing arts theatre, banquet facilities and several multi-purpose meeting rooms.

The Board of Commissioners also proceeded with entering into a design-build contract for the construction of a new 150' x 200' livestock arena facility. Construction on the new livestock arena will break ground in the late spring/early summer 2023.

Additional highlights of building maintenance and improvement projects at the Agri-Civic Center include:

- Renovated the lobby floor with stained concrete finish (the Friends of the Agri-Civic Center helped make this possible with a \$125,000 SCIF grant from the State of North Carolina)
- New digital sound system installed in the auditorium
- Removed the over grown Bradford Pear trees and replaced them with Dogwood and Red Maple trees

Stanly County Library & History Center

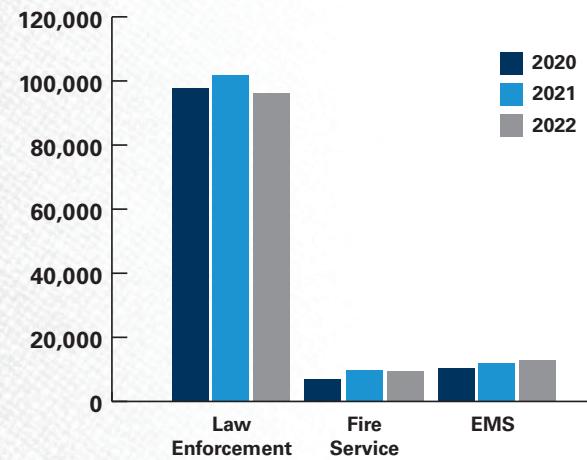

The Stanly County Public Library and History Center provides books, information, and programming for citizens of all ages.

- The Library obtained a \$5,000 grant from the NC Department of Natural & Cultural Resources to create an off-site family literacy center at a local laundromat. The innovative community partnership is called Rinse & Read
- Secured a \$15,000 grant from the NC Library System to purchase sensory lab equipment to provide innovative library programming for neuro-diverse individuals in our community
- The History Center secured a \$16,500 grant from the NC Humanities Council that enabled the County to bring the Smithsonian's Starter Kit with interactive exhibits focused on work and the history of different jobs

911 Communications

- Provides 24 hour, 365 day 911 call dispatch services to the citizens of Stanly County with prompt and courteous assistance to those callers on both the 911 emergency and non-emergency phone lines. Major projects for 2022 include:
- A fiber connection was installed from the Courthouse to the prime-site radio tower to ensure a redundant path for radio communication
- Tower lighting upgrades were completed at three (3) radio tower sites
- Over 1,200 public safety radios were refreshed and updated to ensure mobile and portable radios are fully functioning and operational
- 911 and IT staff worked to secure a \$780,000 grant to help offset the replacement of the County's CAD/JMS/RMS system
- In 2022, 911 processed 135,478 calls for service (emergency & non-emergency), this represents a 3% increase over 2021. A total of 32,270 911 calls were answered in 2022. The State of North Carolina requires all 911 centers to answer at least 90% of all 911 calls within 10 seconds. Stanly County Communications answered 99 % of all 911 calls within 10 seconds

Emergency Management

A three (3) tiered department: Emergency Management, Emergency Medical Service (EMS), and the Fire Marshal's Office (FMO).

Emergency Management defines an 'all-hazards' approach to preparedness, response, recovery and mitigation of any natural, man-made or terrorist disaster.

- Maintained a Storm Ready Status
- Stanly County's #1 weather threat is flash flooding. "Always Remember Do Not Drive Through Flooded Waters!"
- Participated in numerous emergency action plan reviews/updates to include a hydroelectric dam disaster planning event

Emergency Medical Services continues to adapt and grow with the changing pre-hospital medical practices.

- Responded to 12,044 calls (increase of 8%)
- Operate six (6) Advanced Life Support (ALS) ambulances & a new non-emergency ambulance was put into service in the fall of 2022
- Continue to provide community paramedic services to support post hospital release follow-up for local residents and to help mitigate the local opioid overdose issue
- Secured grant funding in 2022 to purchase Lucas devices for several participating volunteer fire departments. These devices are very helpful with the administration of CPR
- Maintained an average response time of less than 7 minutes. The national standard for rural EMS agencies is 10 minutes

The Fire Marshal's Office continues to strive for excellence in service.

- Conducted 464 fire inspections (decrease of 1%)
- Reviewed 180 commercial development plans (increase of 38%)
- Responded to 189 fire investigations (increase of 69%)
- Assisted Millingport VFD and New London VFD with insurance rating reductions

Safety Tip: Remember to check your smoke alarms and fire extinguishers regularly

Health Department

The Health Department resumed more normal operations in 2022. The Health Dept. focused on health promotion, disease prevention, patient education as well as the diagnosis and treatment of chronic illnesses.

The Health Department has also been the lead agency in the County's opioid misuse disorder mitigation initiatives. The Health Department plays a key staff support role for Project Lazarus, Partners in Health committee, which brings community awareness to substance abuse and works to develop multi-agency collaborative partnerships.

Additionally, the Health Department works closely with the local Minority Health Council to raise awareness and mitigate health disparities via advocacy and evidenced based programs.

Dental Clinic

Provided services to 7,684 total patients, and 129 children received dental treatment in the operating room at Atrium-Stanly. Additionally, 505 students received dental sealant via the Dental Clinic's school based mobile clinic in 2022.

WIC (Women, Infants and Children)

Slightly under 1,800 participants received WIC benefits via the County's Health Department in 2022

Assistance Programs, Eligibility Requirements and Service Data

Work First Employment	Assists job seekers with training, education, and support services to prepare them to become self-sufficient	3 families obtained employment
Crisis Intervention	Assists individuals and families with payment for heating or cooling emergencies which are life or health-threatening	Provided \$168,552 in assistance to local families
Low Income Energy Assistance (LIEAP)	Assists low income households with the cost of heating	Provided \$532,164 to local families
Food and Nutrition	Improves quality of nutrition for low-income households	Provided \$29.3 million to local families
Child Support Enforcement	Promotes parental responsibility and reduces welfare dependency by locating absent parents, establishing paternity and support obligations, and enforcing support payments	Collected \$3.52 million in Child Support payments
Day Care	Purchased from private day care centers to enable parents to maintain employment, attend educational and job training classes, and to ensure the safety of children	Paid \$1.98 million to local daycare providers
Foster care	Provides temporary placements for children in licensed foster homes or group homes	Worked with 29 licensed foster families to provide care for our foster children; provided placement responsibility for 50 children
Medical Assistance (Medicaid)	Provides payment for basic medical care to elderly and disabled adults and families based on need, income, and resources	16,799 individuals per month received assistance

Veterans Services

This office assists veterans, dependents and surviving spouses with applications and forms required for Federal, State and County benefits through the Veteran Administration (VA). The Veteran Services Officer is the only fully-accredited representative authorized to represent the NC Division of Veterans Affairs and present claims before the US Department of Veteran Affairs in the county. All services are free of charge.

- Assisted over 1,100 veterans, dependents or surviving spouses in 2022 and submitted 173 total claims or written actions on their behalf.
- Regularly attends meetings and events at various veteran service organizations
- Assist with the coordination and placement of flags at the gravesite of all veterans in Stanly County each Memorial Day

Senior Services

Senior Services Department, a NC Senior Center of Excellence for the 15th consecutive year, provides quality services, programs, activities and opportunities to promote and enhance the well-being of seniors. A satellite Senior Center in the Locust Town Center is operated in partnership with the Stanly County YMCA.

In-Home Services	16,310 hours for an average of 79 clients
Family Caregiver Support	1,243 hours of in home respite for six (6) clients 123 days at Care Cafe for two (2) clients 105 cases of incontinence supplies for thirty-eight (38) families
Nutrition	58,131 grab-and-go meals served at four (4) sites 34,200 home delivered meals delivered via volunteers to 15 different routes
Information & Assistance	Provided assistance to 2,036 seniors and family members
Transportation	Provided funding for 3,815 one-way trips with SCUSA Transportation
SHIP (Senior Health Insurance Information Program)	Nine (9) volunteer counselors provided one-on-one counseling and assistance to 958 citizens about Medicare, Medicare prescription coverage, Medicare Advantage and other health insurance issues. The program generated a collective savings of \$243,719 for participating citizens.
AARP Tax Aide	Volunteers prepared approximately 450 income tax returns, saving approximately \$67,500 in tax preparation costs
Average Daily Visitors	Albemarle Site: 100 (Increase of 52% from 2021) Locust Site: 32 (Increase of 19% from 2021)

Soil and Water Conservation Service

The mission of the Stanly Soil and Water Conservation District is to provide education, information and technical assistance to citizens of Stanly County for the conservation of our soil and water resources.

Stanly Soil & Water Staff provided environmental education to approximately 950 students ranging in age from pre-K to high school seniors. In partnership with Cabarrus Soil and Water, a Project WET Educator workshop was held, free of charge, to certify local teachers in water education.

The office rents out no-till seed drills to landowners for the purpose of improving soil health and decreasing erosion. The drills were used 25 times for conservation plantings on over 211 acres. Total income from drill rental was \$2,844.

The Agricultural Cost Share program encumbered \$66,847 in contracts designed to reduce soil erosion and improve water quality within the county. Contracts included cropland conversion and animal waste management.

In July, the district received \$71,780 to assist with agricultural Best Management Practices for water quality and \$10,000 to assist with water quantity needs on agricultural property. These dollars have been fully encumbered for the fiscal year. However, we are accepting applications for the next fiscal year.

Solid Waste

Materials Handled at Convenience Sites

	2022	
Household trash	6,396 tons	down 7% from 2021
Recyclable materials	380 tons	down 7% from 2021
Used oil	3,362 gal.	down 47% from 2021
Oil filters	Recycled three (3) full 55 gallon drums	
Electronics	23.09 tons	up 36% from 2021
Household hazardous waste	34,960 lbs.	down 40% from 2021

This is a FREE EVENT for Stanly County citizens!

Social Services

The mission of the Stanly County Department of Social Services is to promote self-sufficiency, and to protect and improve the quality of life for Stanly County residents. The agency provides services to protect vulnerable adults and children, promote economic stability, and increase access to health care and nutrition. Approximately 223 individuals visit the agency on a daily basis.

The department is required by law to receive and investigate reports of abuse or neglect of children. If abuse or neglect is found to exist, services must be provided to protect the child from further abuse and neglect and help the parents learn to provide better care for the child. 676 child abuse and/or neglect reports were received; of those, 356 (53%) were substantiated and evaluated to determine the level of services needed.

Elections

The Elections Department conducted two (2) elections for Federal, State, and Local offices in 2022.

Date	Type	Absentee, By Mail & Early	Election Day	Total	Registered Voters	Turnout
5/17	Primary	3,418	5,857	9,275	43,000	21.57%
11/8	General	11,536	12,197	23,733	43,799	54.19%

For more information about the Board of Elections: 704-986-3647
www.votestancountync.gov | Facebook @votestancounty

Facilities Management

Facilities Management is responsible for all county road signs, nine (9) convenience sites and over twenty (20) buildings and grounds which are owned or occupied by county departments.

Facilities Management	Work orders	2,808
	Average work orders per day	11.2
	Hours spent on other facility projects	2,351
Sign Department	Road signs replaced or repaired	267

Key Accomplishments:

- Renovated the Partnership meeting room with updated flooring, door and paint
- Replaced two (2) rooftop HVAC units at the Commons
- Replaced a large section of concrete at the Courthouse parking lot

Register of Deeds

The Register of Deeds mission is to serve as legal custodian of all real estate and vital records. It is the duty of this office to safeguard essential information to protect property rights and to prove occurrences of important life events. These documents are public record and range from real estate conveyances, deeds of trust, cancellations of deeds of trust, Uniform Commercial Codes, powers of attorney, assumed names, separation agreements, road maintenance agreements, birth, death and marriage license. Military records can also be recorded in this office for safekeeping and are held under lock and key. These documents are only available to the veteran or their widow.

The Register of Deeds Office hosted a "Thank You for Your Service" veteran event in December 2022. Over 80 veterans that were able to attend the event. They were able to record their DD-214 discharge forms, obtain copies of those forms, connect with local businesses that offer discounts to veterans and visit with different agencies and learn of services they had to offer.

The North Carolina State Vital Records Office is approximately 6 months behind on filling orders placed directly with them. We were proud to be one of the participating counties to work to fill the North Carolina Vital Records backlog of birth certificates. To date we have filled over 900 birth certificate requests for them. By doing so we have assisted customers from all over the state receive these important documents while simultaneously making extra funds for the county.

Tax Administration

The Stanly County Tax Administration Office is comprised of two sections: the Collector's Office and the Assessor's Office, which includes Real Property and Personal Property.

The Collector's Office collects the levy due Stanly County, ten (10) municipalities, thirteen (13) Fire Districts, and two (2) Special Districts. They also collect for nuisance liens and EMS bills.

The Collector's Office yielded a 98.02% collection rate for FY 21-22. This rate represents the highest on record. Collection enforcement methods utilized included Garnishments, Bank Attachments, Debt Setoff, Escheat, and Foreclosure. \$152,000+ was generated via tax foreclosures on real property.

The Assessor's Office is responsible for valuing all real estate, improvements to real estate, personal property, business personal property, and motor vehicles.

The Real Property Division continued their effort to complete the 2025 revaluation project which involves visiting/appraising all 40,000 parcels in the county. Appraisers are also responsible for listing new construction and hearing valuation appeals. Appraisers completed roughly 1,700 field visits for new construction and appeals.

The Personal Property Division processed a significant number of Homestead and Veterans exemptions, resulting in an exclusion amount of \$54.5 million in tax value. The NC DMV "Tax and Tag" program processed an average of 5,000 registered motor vehicles monthly with a 99.63% collection rate. The Personal Property Division also sent out approximately 8,695 personal property listings and 2,873 business personal property listings in 2022.

Cooperative Extension

Cooperative Extension provides educational opportunities to Stanly County citizens through workshops, training, and information requests via telephone, radio broadcasts, the newspaper, educational mailings, face-to-face contacts with citizens, and website visits. Extension continually strives, through educating and empowering the community, to maximize the County's return on investment.

In 2022, Extension Agents reported 4,709 face-to-face contacts which included 344 hours of workshops, seminars, and hands-on demonstrations. Extension responded to 196,907 citizen requests through telephone, social media, email, and other non-face-to-face methods.

439 volunteers worked with agents to extend the outreach efforts of Cooperative Extension programming by contributing 4,788 volunteer hours. These hours are conservatively valued at \$29.95 an hour and totaled \$143,401. In addition to this number, \$41,054 was collected through donations, grants, and user fees to expand programming and opportunities for Stanly County citizens.

Livestock: Katelyn Stegall is the livestock agent. In 2022, livestock sales reached \$69,847,509, making livestock a vital part of the county economy. Programs were offered in several areas to educate farmers to make their operations more efficient and profitable. Additionally, the annual Stanly County Youth Classic Livestock Show drew a crowd of over 150, with 65 showmen participating in the show.

Horticulture: Jared Butler is the field crops and horticulture agent. In field crops we had a cotton variety trial in Richfield to help growers with varietal recommendations. In horticulture we have made great strides in completing our demonstration garden.

Health & Nutrition: Hayley Cowell is the Family and Consumer Sciences agent and Chelsea Barber is Extension's Nutrition Educator. In 2022, 121 individuals learned how to prepare local foods, including through the use of home food preservation techniques. 110 participants increased their knowledge of safe home food handling, preservation, or preparation practices. 569 participants reported they increased their fruit and vegetable consumption after attending nutrition programming. 499 participants increased their physical activity.

4-H Youth Development: Michaela Vick is Extension's 4-H Youth Development Agent. In 2022, Stanly County 4-H grew by two clubs. Our local 4-H program is home to the Rocky River Riders 4-H Club; The Barn Kids 4-H Club; and Kids in the Kitchen 4-H Club. These clubs focus on equine science, livestock science, and cooking/healthy living, respectively. We also partnered with the EE Waddell Center's after-school program, "Justus Kids," to offer 4-H group programming.

One of our most popular classroom curriculum programs offered by 4-H was the Butterfly Project, in which second graders cared for Painted Lady butterflies. Students were able to witness the full butterfly life cycle: from caterpillar, to chrysalis, to butterfly, to release.

Planning & Zoning

One of the tools the County utilizes to ensure positive growth is the Land Use Plan. In 2022, staff worked diligently with Centralina Regional Council to develop and recommend the 2040 Land Use Plan. The Board approved the new Plan in November 2022. The 2040 Land Use Plan was created and implemented to capture the vision, values and goals for the community's future. Community input was heavily relied upon to be able to create strategies for achieving the vision of the County. The new 2040 Land Use Plan encourages development where both water and sewer are provided, larger lot sizes, conservation subdivisions and promoting growth closer to municipalities.

2022 Zoning Enforcement	New Cases	Cases Resolved	Ongoing
Stanly Min. Housing	3	6	3
Stanly Zoning Ordinance	62	80	20
Badin Min. Housing	5	2	3
Locust Min. Housing	0	0	0
New London Zoning/Min. Housing/Nuisance	8	3	5
Stanfield Minimum Housing	0	0	0
Stanly County Floodplain Violations	5	0	0

Economic Development Commission

The Stanly County EDC responded to forty-nine (49) inquiries from prospective consultants or companies seeking information about available product, workforce, utilities, access to highways and other data related to a site(s) in Stanly County.

Staff worked directly with five (5) companies to announce the creation of 52 new jobs and \$8.9 million in new taxable investment this year.

The EDC also met directly with forty-five (45) local businesses to ensure they have the resources they need to be successful and profitable in Stanly County.

Water. Air. Land. Innovation.

Utilities

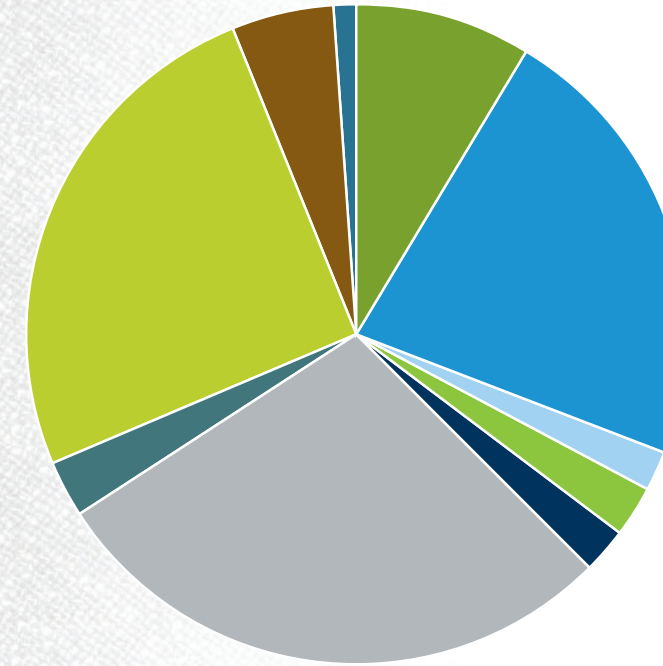

Stanly County Utilities (SCU) is responsible for distributing more than 1.85 million gallons of drinking water every day to more than 7,000 homes, schools, churches and businesses in Stanly County

SCU provides wastewater collection and treatment to over 970 customers in the Greater Badin District. Wastewater collection is provided to the northern part of Stanly County, the County Airport region plus the communities of Palestine, Millingport, Ridgecrest and Aquadale. SCU provides wastewater treatment at our West Stanly Facility for the towns of Locust, Stanfield, Red Cross and Oakboro. This past year the following project were completed:

- Bost Road water line extension
- Construction is on-going on the Liberty Hill water pump station
- Completion of a 20 year comprehensive water master plan and a 5 year sewer master plan and associated implementation of System Development Fees
- On-going projects for 2023 and beyond include:
 - Design and construction of water line extensions for Meadowcreek Church Road in Locust and Stony Gap Rd. just outside Albemarle
 - The \$17.9 million Water & Sewer Authority Phase 4 project to improve access to public water has been approved for funding by the USDA. The project will extend 31 miles of water main in eastern Stanly
 - Initiating an Inflow & Infiltration sewer system study for the Town of Badin
 - A \$32 million sewer treatment plant expansion at the County's West Stanly Waste Water Treatment Plant has been approved by the USDA. The project is currently under final design. It is anticipated design will be complete near the end of 2023.
